Portfolio: Satyam Raj

Professional Summary

Computer Applications graduate pursuing an M.Sc. in Computer Science, with experience as Vice President of the Department of Computer Science at DSEC, DU. Strong foundation in programming, data analytics, machine learning, and problem-solving, complemented by leadership, teamwork, and event-management experience.

Education

Degree	Institute	Passing Year	Score
Bachelor of Arts(Hons.) Computer Science	Dyal Singh Evening College, University of Delhi	2022 – 2026	CGPA: 7.589
INTERMEDIATE	EKLAVYA CENTRAL SCHOOL(CBSE)	2021	70.6
MATRICULATION	EKLAVYA CENTRAL SCHOOL(CBSE)	2019	72.8
GATE (NOT QUALIFIED)	IIT GUWAHATI	2026	22

Skills:

Technical:

Python, Data Processing(numpy, pandas), Data Mining , SQL, MS Excel, Computer Networking , Data Visualisation(matplotlib,seaborn), Machine Learning(TensorFlow, scikit-learn), Deep Learning, NLP, MS Word, MS Power Point, Portfolio Design(Framer), DSA, DAA, Cyber Forensics, Compiler Design, Front-end Web development(HTML, CSS, JavaScript), Photo & Video Editing

Portfolio: Satyam Raj

Professional:

Communication, Leadership, Teamwork, Emotional Intelligence, Adaptability , Time Management, Decision Making, Multitasking, Problem Solving, Language(English, Hindi, Maithili)

Projects:

NLP PROJECT ([Click Here](#))

Fake News Detection using Machine Learning | Python, NLP, Scikit-learn, Pandas, Jupyter Notebook
Developed an NLP-based machine learning model to classify news articles as Fake or Real, involving data preprocessing, text feature extraction, model training, and performance evaluation.

Weather Monitoring Tool ([Click Here](#))

using OpenWeatherMap API | Python, REST API, JSON, Requests, Git
Built a Python application to fetch and display real-time weather data using REST APIs with secure API key management, JSON parsing, and comprehensive error handling.

BLOCKCHAIN PROJECT([Click Here](#))

Blockchain & Its Applications | Python, SHA-256, RSA, AES, Solidity

Developed a blockchain implementation demonstrating cryptographic hashing, Proof of Work, digital signatures, transaction blocks, tamper detection, and blockchain validation, along with a basic Solidity smart contract and permissioned blockchain simulation.

Achievements & Certifications:

- Data Analytics Job Simulation – Deloitte Australia ([click here](#))
- Cyber Job Simulation – Deloitte Australia ([click here](#))
- Technology Job Simulation – Deloitte Australia ([click here](#))
- Scavenger Survey – Ripul Foundation, New Delhi(Aug 2024)
- Solutions Architecture Job Simulation - AWS ([click here](#))
